Office of Central Reference (OCR)

TALENT Control Officer:

Mr. [] has been designated as the OCR TALENT Control Officer and will be responsible to the Assistant Director for Central Reference for the establishment and implementation of a proper TALENT Control System.

TALENT Security Officer:

Because the OCR TALENT Control Area will be at the HTAUTOMAT Center, OCR proposes to have Mr. [] act as the OCR TALENT Security Officer.

TALENT Control Area:

No TALENT Control Area for OCR outside of the Stuart Building is anticipated at this time.

Utilization of TALENT Materials:

Within OCR the Statistical Branch of the Special Register has been established to provide the following services:

- a. Receive, distribute, control and file basic TALENT and related material.
- b. Provide rapid information and document retrieval services (MINICARD).
- c. Provide photo copies of TALENT material in basic files, rectify oblique graphics to produce high quality copies for photo-grammetric use, and provide reproduction services for multiple copy distribution of reports and graphics.
- d. Maintain reference material needed to interpret TALENT material.
- e. Coordinate and relate TALENT material to the reference resources of the other OCR Registers.
- f. Index TALENT reports prepared by other Agencies.
- g. Render documentary support to the analytical segments of the TALENT operation.
- h. Provide courier and messenger services for the TALENT Center.
